Jesse Montes (to All):

I watched the video yesterday. Unfortunately, I have a teleconference with the Legion of Mary (sorry). I am the chaplain of our praesidium. I have a presentation. So I will be off at 5 PM. My comments of the film: I suggest you all subscribe to Bishop Barron's WORD ON FIRE INSTITUTE. Aside from getting a seasonal magazine he provides many workshops on so many topics with excellent presentors. They are university level courses on bringing Christ into the world. I have met Bishop Barron and I can tell you he is a saintly priest. We Salesians have so much to offer our provinces. Many Salesian alumni from Mexico, Central and South America are surprised why we are so little known in the states. As Matthew Kelly in Rediscovering America writes "Where there is no vision, the people will perish". It is up to us to provide that vision!

8:59 PM

Jesse Montes (to All):

Sorry for the typos. God bless and stay safe.

Mary Link (to All):

very powerful for me

9:15 PM

MICHAEL J VERA (to All):

The comment about the foundation really struck me as we need to as Cooperators build our foundation and continue our Formation with the On-going Formation like a plant needs water

9:15 PM

MICHAEL J VERA (to All):

Christus Vivit is a great response to this as well

9:16 PM

MICHAEL J VERA (to All):

Also the part about

9:17 PM

MICHAEL J VERA (to All):

Also the part about the "New Media" we need to be where the young people are

9:21 PM

MICHAEL J VERA (to All):

lastly it's about our actions in the world - we are Christ in the world in our workplace we need to evangelise by our lives then look for the young people talk to co-workers about thier young or our relatives, etc...

9:21 PM

Joe Conroy (to All):

attraction rather than promotion

9:22 PM

Leonor Arteaga (to All):

Formation, formation, formation what we need...

9:27 PM

Pierre Larocque (to All):

our theme on the booklet of the Renewal Promise is precisely : What kind of Salesian Cooperators for the youth of today ? we need to take care of our on going formation and find a way for an apostolate with the youngs. With the pandemic we experienced new ways to form ourselves . We have to be creative and go to the peripheries as Pope Francis told us.

9:36 PM

Roman Pallone (to All):

Don Bosco focused on creating and distributing written publications focused on evangelizing and educating the public. Today, we have great internal Salesian news bulletins, but how much are we publishing for our target audience - the "nones", teens, the marginalized?
