

Art. 41 A Way to Sanctity

Salesian Cooperators choose to share the Gospel way traced out by the present *Project of Apostolic Life*.

They commit themselves in a responsible manner to this way which brings one to sanctity: the Association of the Cooperators “is designed to shake many Christians from the languor in which they lie, and to spread the energy of charity.”

The Lord accompanies with the abundance of His grace all those who work in the spirit of the “Da mihi animas, cetera tolle,” doing good to youth and to ordinary folk.
