Purposes of the pilgrimage:

1. Empowering Salesian Family members to take the lead in combined family and youth ministry at home.
2. Formation of Salesian Family members in our history, charism, spirituality, and mission by visiting our Salesian Holy Places with guided prayer, reflection, and sharing - focusing on being Salesian disciples and apostles.
3. Growth in our *sensus ecclesiae*, belonging to the Salesian Family, and living our lives oriented around Don Bosco's 3 loves: Mary, Jesus in the Blessed Sacrament, and the Holy Father.

We have a team of Salesian Family Leaders comprised of FMA, SDB, and SSCC who are preparing special activities for the various groups on the pilgrimage: young adults (18-30 years of age), with a vocational thrust; families with younger children with a focus on the Preventive System and family life; single and married adults, with vocation, mission, and Salesian vocation orientation; and children & teens, with a view to seeking God's Will for them in their lives and to live as faithful Catholics.

Registration closes January 24, 2022.
